

2020 Twitchathon Fund Raising

At last we have all the arrangements for fund raising, sorry to be a little late with this

As you know we are raising funds for the “Origma Enigma” a project aimed at aiding the conservation of the cryptic forest and heathland birds that inhabit the areas burned during last year’s fires. This is a BirdLife Australia project run by Golo Maurer, Program Leader for their Key Biodiversity Program.

We have tried to make it as easy as possible with the opportunity to make either a cash donation or to transfer funds using your credit card.

Please follow the following instructions.

- If the donor wants to make a cash payment, please follow one of the two options below. In all cases please complete the Donor Sponsor Sheet and return this to me at proustwest@bigpond.com . Unfortunately we are not able to provide a tax deductible receipt for these donations.
 - Collect the cash donation,
 - Combine it with all the donations made to you in cash,
 - Transfer the full amount by EFT to the BIGnet account with a notation “Twitchathon – your team name”.
 - You will need to complete the Sponsor Record Sheet as above.
 - Or the donor can pay it direct by EFT into the BIGnet account and again with a notation “Twitchathon – with your team name”
 - The BIGnet account details are as follows: BSB 182 222, account number 121211833. There is also an option using BPay (Biller code 20206, Ref: 121 211 833). The account name is: Thomas E Karplus & Janet E Galloway & Paul D Vale on behalf of Bird Interest Group Network. The account is a Macquarie Cash Management Account.
- If the donor wishes to make an on-line donation using their credit card,
 - Have a look at the attached NSW On-line Donations Instructions document
 - The donor can also get a tax deductible receipt from BirdLife.
 - To make sure the donation goes to the “Origma Enigma” the donor will need to mark the donation as being for “Twitchathon – then the name of the team you are supporting”. This is covered in the instructions
