The screenshot shows the 'Donate to Protect Aussie Birds from Extinction' form on the Raisingly website. The page features a background image of two blue and white birds perched on a tree branch. The main heading is 'Highest annual extinction rates in the world'. Below this, a paragraph states: 'There are now over 230 threatened bird species in Australia heading towards extinction due to ongoing habitat loss and other environmental challenges. We need your help today to protect and save our most threatened birds from extinction!'. The donation form has three steps: 1. Amount, 2. Information, and 3. Payment. In step 1, there are four options: '\$40 Save Bird Havenet', '\$60 Fight Habitat-Destroying Developmental', '\$100 Speed Endangered Species', and '\$ Other'. A red circle highlights the '\$ Other' option, with a red arrow pointing to it from a text box on the right.

Enter the amount you are donating at 'Other'.

The screenshot shows the 'Donate to Protect Aussie Birds from Extinction' form on the Raisingly website, step 2: 'Your Information'. The form includes fields for 'First Name', 'Last Name', and 'Email'. Below these is a 'Your Message' text area, which is highlighted with a red box and a red arrow from a text box on the right. At the bottom of the form, there is a checkbox labeled 'Keep my donation anonymous'.

On the next screen, enter your name and email address. In the box marked 'Your Message' enter details of which team you are donating to as follows:

'Twitchathon + name of team'

Using this format is important so that BIGnet can tally up the totals raised by each team.

Messages will show at the bottom of the page – if you would like to remain anonymous, please tick the box – the details of which team you are sponsoring will show on the screen, but your name will not.

The screenshot shows the 'Donate to Protect Australian Birds from Extinction' form on the Raisingly website, step 3: 'Your payment details'. The form includes fields for 'Card Number' (with a masked number '1234 1234 1234 1234'), 'Expiry' (with a masked date 'MM / YY'), and 'CVC' (with a masked number 'CVC'). Below these fields is a checkbox labeled 'Add \$1.82 to help cover our fundraising costs', which is checked. At the bottom, it says 'Donating in Australian Dollars'. A red arrow points from a text box on the right to the checkbox.

At the 'Donate' screen enter your credit card details.

Feel free to untick this option – you are not obliged to 'add \$x.xx to help cover our fundraising costs'. This is a payment made to the providers of the donations platform, not to BirdLife Australia.

By sponsoring your favourite NSW Twitchathon team, you are supporting BirdLife Australia's Key Biodiversity Areas program. Thank you for your support.
